

**Subject Line: Complimentary MATLAB and Simulink for RoboCup Teams**

Hello Teams,

MathWorks is pleased to announce that we will sponsor the 2015 RoboCup Competition.

***All student teams are eligible to receive complimentary access to MATLAB and Simulink.***

*Advantages of this license include:*

- Ability to download the software on to your own laptop
- Access to products including, but not limited to: Computer Vision System Toolbox, Control System Toolbox, DSP System Toolbox, MATLAB Coder, Optimization Toolbox, Simulink Control Design, Stateflow, and many others.
- Ability to activate on multiple machines so all team members can have access to MATLAB and Simulink

Apply for a license and learn more about our support [here](#).
